2nd Edition

*This catalog has been expanded to include products
from throughout the Defense Logistics Agency.*

DLA offers more

Environmental products

The Defense Logistics Agency has hundreds of environmental products in its supply system ranging from citrus-based degreasers and complete antifreeze recycling systems to natural resource conservation products.

Purchasing these products can help you meet your organization's goals in:

- Reducing hazardous waste
- Eliminating use of ozone-depleting chemicals
- Protecting your employees, and
- Saving money

Many different units of issue are available to

help ensure you buy only what you need. Most of these items can be shipped directly from the supplier to your location.

DLA has done the cataloging, item management and contracting for you and can ensure you receive the benefit of its purchasing power.

This catalog is divided into broad headings describing the types of products to assist you in selecting possible alternatives to hazardous chemicals or processes in use now.

For more information about environmental products, check the guide in this catalog and then call one of DLA's representatives today!

How do I order from DLA?

Preferred methods:

Automated systems using MILSTRIP/FEDSTRIP
or
GSA's Muffin System

Alternative methods:

Contact the appropriate inventory control point via:

FAX
Mail
ESEX

Internet home page address:
<http://www.dscr.dla.mil>

New environmental products are identified daily

DLA strives to meet its customers' needs by staying abreast of the latest technology and making new products available through the federal supply system. If you know of products which would be appropriate for inclusion in future editions, we want to hear from you!

If the product falls under one of the categories in this catalog, contact the technical or marketing representative at the appropriate supply center shown on pages *ii* and *iii*. In all other cases, contact the Defense Logistics Services Center, Battle Creek, Mich.

616-961-4958 or 5729 (Commercial)
932-4958 or 5729 (DSN)
932-5305 (FAX)

Reminder: Check with the process owner, engineering support activity, etc., before substituting an environmental product for a specified hazardous item.

Prices

Prices included in this catalog are effective Oct. 1, 1995. Some items have interim estimated prices which will change after the first procurement is made, or when a long term contract is established.

Check the Defense Logistics Service Center's price list, or contact the appropriate inventory control point (ICP) for the latest price information. Telephone numbers for these offices are listed on the next two pages.

The latest prices are also shown on all electronic versions of this catalog.

We provide answers on hazardous materials

Our Hazardous Technical Information Service provides consultation services to DoD and other federal agencies worldwide.

We provide answers to questions on the safety, health, handling and disposal considerations of hazardous materials and waste.

Contact DGSC's HTIS office at the telephone numbers on page iii.

Key to abbreviations in this catalog:

MEK ... Methyl ethyl ketone
ODC Ozone-depleting chemical
ODS Ozone-depleting substance
PERC .. Perchloroethylene
TCA 1, 1, 1 - Trichloroethane
TCE Trichloroethylene
VOC Volatile organic compound

Defense Logistics Agency item managers have selected the products in this catalog based primarily on manufacturers' claims.

This catalog has not been officially endorsed by the Environmental Protection Agency or the Federal Environmental Executive. The U. S. Government does not endorse any of the products found in this catalog over any competing product or process.

Environmental products you will find in this catalog...

Aqueous cleaners/degreasers pg. 1

Semi-aqueous cleaners/degreasers . pg. 19

Hydrocarbon-based and other
cleaners/degreasers pg. 23

Aircraft cleaning compounds pg. 49

Spill control products pg. 53

Skin protection/barrier products ... pg. 53

Cold climate applications pg. 57

Support equipment/recycling
products pg. 59

Marine cleaning compounds pg. 63

Remanufactured/recycled laser
printer toner cartridges pg. 65

Products in this category fulfill requirements of the Affirmative Procurement Program required by Executive Order 12873.

Petroleum, oils and lubricants pg. 65

Products in this category fulfill requirements of the Affirmative Procurement Program required by Executive Order 12873.

Material Branch 215-697-1172 ... DSN 442-1172

Many commodities managed by the Defense Industrial Supply Center contain materials hazardous to personnel, the environment, or both. These materials include asbestos, cadmium and ozone depleting substances. They may be contained in the products the center manages and procures or in the manufacturing or testing process for products it buys.

DISC has an aggressive program to develop and secure Service approval for replacements for many of its commodities which formerly utilized hazardous materials. Once a replacement has been developed and approved by the Service, the center no longer offers the hazardous stock number to its customers.

An Asbestos Bulletin Board System is in place which will assist you in identifying DISC-managed national stock numbers that contain asbestos. Non-asbestos replacements are listed with the asbestos parts. Anyone with a computer and modem can access the system at 215-697-2340 or DSN 442-2340.

DISC will continue its program to develop additional non-hazardous replacements with the intent of replacing all hazardous related commodities with those that do not use hazardous materials in either the product or its manufacturing process.

Aqueous Cleaners/Degreasers				
Low VOC, non-CFC aerosol spray for degreasing various industrial parts and equipment.	CN (16 oz)	S9G	6850-01-061-5493	3.97
Compatible with oil/water separators. NAVSEA-approved for shipboard applications. Cleans grease and oil from bilge and industrial surfaces.	DR (55 gallon)	S9G	6850-01-278-4420	\$657.26
Compatible with oil/water separators. NAVSEA-approved for shipboard applications. Cleans grease and oil from bilge and industrial surfaces.	CN (5 gallon)	S9G	6850-01-278-4421	\$81.62
Removes grease, oil and rust from metal decks and bulkheads. Concentrated; applied by pressure sprayer or automatic scrubber.	CN (5 gallon)	S9G	6850-01-376-1201	\$26.35
Removes grease, oil and rust from metal decks and bulkheads. Concentrated; applied by pressure sprayer or automatic scrubber.	DR (55 gallon)	S9G	6850-01-376-1202	\$188.71
Used in immersion, ultrasonic and steam cleaning. Removes grease, oil, shop grime and dyes from most metals, including aluminum, copper and composites.	DR (55 gallon)	S9G	6850-01-392-8430	\$655.73
Used in immersion, ultrasonic and steam cleaning. Removes grease, oil, shop grime and dyes from most metals, including aluminum, copper and composites.	CO (5 gallon)	S9G	6850-01-392-8433	\$62.45
Heavy duty. Used for high-pressure spray wash and steam cleaning. Removes grease, oil, shop grime and dyes from most metals. Contains a rust inhibitor for ferrous metals.	CN (5 gallon)	S9G	6850-01-394-0166	\$67.13
Heavy duty. Used for high-pressure spray wash and steam cleaning. Removes grease, oil, shop grime and dyes from most metals. Contains a rust inhibitor for ferrous metals.	DR (55 gallon)	S9G	6850-01-394-0169	\$686.95
Heavy duty. For immersion, ultrasonic and steam cleaning. Removes grease, oil, shop grime and dyes from most metals, including aluminum and composite materials.	DR (55 gallon)	S9G	6850-01-394-2619	\$552.99
Cleans and removes dirt, grease and carbon from engines, metallic parts and components. Non-flammable and reduced foam characteristics.	CN (5 gallon)	S9G	6850-01-412-8875	\$73.69

<u>Application</u>	<u>Size</u>	<u>ICP</u> <u>Code</u>	<u>NSN</u>	<u>Unit Price</u>
Aqueous Cleaners/Degreasers				
Formulated to encapsulate oil and grease from soiled surfaces. Ideal for manual and automated parts degreasing.	BX (12-32 oz bottles)	S9G	6850-01-412-6447	\$32.52
Dissolves dried-on oil, heavy grease and tar from engines, heavy machine parts and industrial equipment. Industrial degreaser for use in aqueous parts bath and high pressure washing.	BX (12-32 oz bottles)	S9G	6850-01-412-6448	\$40.77
Removes grease, dirt and grime from all hard surfaces for a wide variety of light industrial and commercial maintenance jobs.	BX (12-16 oz spray bottles)	S9G	6850-01-412-6449	\$32.52
Cleans rust and scale deposits from ferrous surfaces. Removes rust without leaving a residue.	BX (12-32 oz bottles)	S9G	6850-01-412-7805	\$61.90
Cleans rust and scale deposits from ferrous surfaces. Removes rust without leaving a residue.	CN (5 gallon)	S9G	6850-01-412-7810	\$58.74
Cleans rust and scale deposits from ferrous surfaces. Removes rust without leaving a residue.	DR (55 gallon)	S9G	6850-01-412-7811	\$583.22
Cleans rust and scale deposits from ferrous surfaces. Removes rust without leaving a residue.	GL	S9G	6850-01-412-9137	\$74.19
For non-caustic steam cleaning and aqueous washing. For use in immersion cleaners, metal cleaning and degreasing and for manual wipe cleaning.	CN (5 gallon)	S9G	6850-01-381-4419	\$144.50
For non-caustic steam cleaning and aqueous washing. For use in immersion cleaners, metal cleaning, degreasing and manual wipe cleaning.	DR (55 gallon)	S9G	6850-01-381-4426	\$948.92
Surface prep for painting or welding on ferrous metals. Use in immersion cleaners. For aqueous metal parts cleaning, degreasing and for manual wipe cleaning prior to painting. Safe on plastics and most metals.	DR (55 gallon)	S9G	6850-01-381-5088	\$975.02
Surface prep for painting or welding on ferrous metals. Use in immersion cleaners. For aqueous metal parts cleaning, degreasing and for manual wipe cleaning prior to painting. Safe on plastics and most metals.	CN (5 gallon)	S9G	6850-01-381-5139	\$146.87
General purpose multi-use cleaner/degreaser. Will etch glass and anodized aluminum.	CN (5 gallon)	S9G	6850-01-416-8017	\$162.37
